Merak WaveCel® Ski & Snowboard Helmet

WHOLESALE: 24,750円
SIZES: S, M, L, XL

Our pinnacle helmet. WaveCel® technology exclusive to Anon, adjustable airflow with 19 channels, hybrid shell, enhanced BOA® fit.

DETAILS:
- Weight: 480g; WaveCel® helmets are designed to fit closer to the head, providing a snug, comfortable fit. Please refer to our sizing chart for accurate measurements. If you are in between sizes, you may want to size up.
- WaveCel® behaves like a network of hundreds of interconnected shock absorbers connecting your head and the outer shell of the helmet. WaveCel® helps distribute the impact energy through its network of cells, reduces impact forces like the crumple zone of a car, and then helps divert rotational forces by flexing and gliding.
- 50/50 hybrid shell construction combines Endura®-shell and in-mold shell constructions for wear-and-tear resistant durability and featherweight performance.

Rodan Ski & Snowboard Helmet

WHOLESALE: 11,000円
SIZES: S, M, L, XL

A helmet with a micro-adjustable fit, lightweight comfort, and low-profile style for full days on the mountain.

DETAILS:
- Weight: 385g
- In-mold shell construction fuses a lightweight polycarbonate shell with an EPS liner for sleek comfort and a low profile fit.
- Passive ventilation channels integrated into the helmet draw fresh air in the front and pull moisture out the back.
- 360° BOA® Fit System features a fit dial just below the helmet shell that provides micro adjustments in a complete halo around the wearer's head.
- Fidlock® snap helmet buckle uses magnets to allow you to open and close the buckle with one hand even when wearing gloves.

M4 Goggles (Toric) + Polarized Perceive Lens

CO
CF

WHOLESALE: 30,250円
SIZES: NA

Cut glare on bright days. Our most advanced goggle with a toric lens, Perceive Polarized optics, Magna-Tech® quick changes, and MFI® integration.

DETAILS:

- Unisex frame design; Fits medium and large faces; Helmet compatible; MFI® face mask, bonus lens, Magna-Tech® goggles storage case, and goggle lens protector included.
- Magna-Tech® quick lens-change technology uses powerful rare earth N52 magnets for a seamless and secure lens-to-frame seal that makes for easy lens changes and unsurpassed lens retention.
- Perceive polarized lens provides high-contrast, glare-reducing optics for crisp and clear vision in bright conditions; A hydrophobic and oleophobic coating provides unmatched smudge, scratch, and moisture resistance on the outer lens surface for clear optics and easy cleaning.

Nesa Goggles + Bonus Lens + MFI® Face Mask

WHOLESALE: 11,550円
SIZES: NA

Modern style with maximum field of view. Semi-frameless cylindrical lens design, Perceive optics, and MFI® integration.

DETAILS:

- Unisex frame design; Fits medium and large faces; Helmet compatible; Bonus lens, MFI® face mask, and microfiber goggle bag included.
- Perceive lens provides high-contrast vision and terrain-defining clarity in just about any light condition; A hydrophobic and oleophobic coating provides unmatched smudge, scratch, and moisture resistance on the outer lens surface for clear optics and easy cleaning.
- MFI® technology (Magnetic Facemask Integration) uses magnetic connection to quickly seal your facemask to your goggles without obstructing ventilation for a gapless setup that seals out the elements.

Helix 2.0 Goggles (Non-Mirror)

CO
CF

WHOLESALE: 4,675円
SIZES: NA

Low-profile comfort, classic look. Cylindrical non-mirror lens with OTG compatibility.

DETAILS:

- Unisex frame design; Fits small and medium faces; Helmet compatible.
- Cylindrical injected lens design reduces peripheral distortion; Integral Clarity Technology exceeds global anti-fog certification and treatment standards, delivering crystal clear vision that lasts.
- Dual-layer face foam features one layer of foam and a layer of moisture-wicking fleece for a snug seal and comfortable fit; Thermoplastic polyurethane frame is durable and lightweight but remains flexible in cold weather.
- No-slip silicone strap keeps the goggles in place so riders can focus on the terrain; Over the Glass compatible frame designed to accommodate prescription eyewear underneath the goggles.
- Full perimeter vent channel maximizes airflow to bring fresh air in and move hot air and moisture out for clear vision.

MFI® Paneled Neck Warmer

WHOLESALE: 4,125円
SIZES: 1SZ FITALL

Technical, mid-weight warmth in an MFI-compatible neck warmer that provides excellent breathability for serious adventuring.

DETAILS:
- Achieve the ultimate in comfort, warmth, and breathability with the Anon MFI® Paneled Neck Warmer. Wear it down around your neck when you want your face exposed. When the weather turns ugly, pull it over your face and magnetically connect it to your MFI goggles to create a seamless barrier against driving wind and snow.
- Channeled exhaust ports move exhaled breath down and away from your goggles and lenses.
- It comes with all three types of MFI carriers, so it's compatible with any pair of MFI goggles.

MFI® Wool Neck Warmer

WHOLESALE: 5,500円
SIZES: 1SZ FITALL

A merino wool blend for extra warmth and moisture-wicking breathability.

DETAILS:

- When driving snow and howling wind are chapping your face and making your ride uncomfortable, turn to the Anon MFI® Wool Neck Warmer. Connect it to any MFI goggles to create a gapless seal and block out the harsh elements.
- Two-layer mesh and merino wool sets you up with a perfect mix of warm, soft, breathable, and odor resistant.
- It comes with all three types of MFI carriers, so it's compatible with any pair of MFI goggles.

MFI® Midweight Neck Warmer

WHOLESALE: 4,675円
SIZES: 1SZ FITALL

A midweight neck warmer for added warmth on colder days. MFI compatibility ensures a seamless connection with your goggles.

DETAILS:

- Connect the Anon MFI® Midweight Neck Warmer to your MFI-compatible goggles to create a seamless buffer that fully covers your face and neck. It's the best way to block harsh sun, wind, and snow from a part of your body that's otherwise exposed.
- It comes with all three types of MFI carriers, so it's compatible with any pair of MFI goggles.
- A mesh ventilation panel in the center serves as a vent for your breath, so your goggles don't fog up.
- Remove the carrier out of the clava for machine washing or to wear the facemask with non-MFI goggles.
- Compatible with all MFI-equipped goggles.
- Compatible with all MFI-equipped goggles.

MFI® Lightweight Neck Warmer

WHOLESALE: 3,025円
SIZES: 1SZ FITALL

Our do-it-all-weight neck warmer for everyday coverage. MFI compatibility ensures a seamless connection with your goggles.

DETAILS:

- Made for mild to cool conditions, the Anon MFI® Lightweight Neck Warmer lets you adjust your coverage as the weather allows. Wear as a simple neck warmer, but when the temp drops and the wind starts howling, pull it up over your face and create a seamless magnetic connection with your MFI goggles.
- A mesh panel in the center serves as a vent for your breath, so your goggles don't fog up.
- It comes with all three types of MFI carriers, so it's compatible with any pair of MFI goggles.
- Take 'em out for machine washing or to wear the facemask with non-MFI goggles.

MFI® Mesh Neck Warmer

WHOLESALE: 2,475円
SIZES: 1SZ FITALL

Lightweight and versatile, this neck warmer provides coverage for sunny days and spring conditions.

DETAILS:

- Protect your face from wind and cold in milder or bluebird conditions with the Anon MFI® Mesh Neck Warmer. Warm yet breathable to prevent goggle fogging, it creates a seamless connection with any MFI-compatible goggles using the power of magnets.
- Ultra-lightweight mesh drapes over your face with a nice, relaxed fit.
- It comes with all three types of MFI carriers, so it's compatible with any pair of MFI goggles.
